Institution Industry Cell

As per AICTE order, the following staff is appointed as Institution Industry Cell during the Academic year 2025-26.

Aim:

The Institution–Industry Cell aims to strengthen collaboration between academic institutions and industries to bridge the gap between theory and practice. It focuses on enhancing students' employability through internships, industrial training, and exposure to real-world technologies. The cell supports industry-relevant curriculum, live projects, and joint research activities. It also promotes skill development, innovation, and better placement opportunities through continuous industry interaction.

Objectives:

- To strengthen collaboration and partnership between the institution and industries.
- To provide practical exposure to students through internships, industrial training, and visits.
- To bridge the gap between academic learning and industry requirements.
- To promote industry-oriented projects, research, and consultancy activities.
- To enhance students' skills, employability, and placement opportunities.
- To organize workshops, seminars, and guest lectures by industry experts for knowledge enhancement.
- To encourage innovation, entrepreneurship, and start-up activities with industry support.
