RED CROSS UNIT

ABOUT RED CROSS UNIT

Mission:

- **Disaster Preparedness and Response:** Educate the college community about disaster preparedness, including first aid training, CPR certification, and disaster response protocols. Organize drills and simulations to ensure readiness in case of emergencies.
- **Blood Drives and Donor Recruitment:** Host regular blood drives on campus to collect blood donations for patients in need. Promote awareness about the importance of blood donation and recruit donors from the student body, faculty, and staff.
- **Community Health Education:** Provide workshops and seminars on various health topics such as nutrition, mental health awareness, sexual health, and substance abuse prevention. Collaborate with campus health services to address specific health concerns within the college community.
- **Support for Vulnerable Populations:** Partner with local shelters, hospitals, and community organizations to provide support and resources for vulnerable populations, including the homeless, elderly, and individuals with disabilities. Organize donation drives, volunteer outings, and advocacy campaigns to address systemic issues affecting these groups.
- **Youth Engagement and Leadership Development:** Provide opportunities for college students to develop leadership skills and engage in meaningful volunteer work through the Red Cross unit. Offer training programs, mentorship opportunities, and leadership roles within the organization to empower students to make a positive impact in their communities.
